

## **Community Voice Channel (Comcast 96) Dates**

Peter Stone has filmed all of the PZC hearings for our Community Voice Channel.

Below are the dates and times the Planning and Zoning meetings will be airing at the Community Voice Channel in February. They will air on Comcast cable channel 96.

There may be additional airings if there is room (ie. if we don't receive another meeting), but these are the definite air dates.

Copies of the DVD of the meetings on Jan. 7 and 21 are available from Peter upon request. If interested, contact him at [PLStone@comcast.net](mailto:PLStone@comcast.net).
